Russell, IA Feeder Cattle Auction
 Feeder Cattle Weighted Average Report for 10/27/2014

Receipts: 3231 2 weeks ago: 2415 Year Ago: 2915

Compared to the sale 2 weeks ago: Feeder steer calves less than 450 pounds trended mostly 8.00 to 100 higher; 500-600 pounds 4.00-11.00 lower; steer calves over 600 pounds traded mixed with better quality long weaned calves moving up to 14.00 higher. Yearling steers over 800 were strong, as 10 full load lots were offered, trading 2.00 to 7.00 higher. Heifer calves less than 550 pounds were mixed with plainer types trending 12.00 lower and higher quality long weaned heifers moving as much as 14.00 higher, while heifers 500-600 pounds were 2.00-5.00 lower and yearling heifers over 700 pound trading 10.00-11.00 lower on the plainer type heifers. Quality offered was very mixed, with several small packages making up most of the supply. The quality and kind really affected the market today as buyers were more aggressive on the lighter weight thinner long weaned calves and yearling steers. Trade was moderate to active with demand being mostly moderate to good on increased offerings. Receipts this week included 50 percent feeder cattle over 600 lbs; 67 percent of the feeders were strrs and 33 percent were hfrs.
